| **Bespoke formula, colour or scent** | 1,000 litre minimum batch, lab samples approved first |
| **Contract filling of your own bulk** | From 1,000 units, quoted per run |

## How it works

**1 Choose your products**
Pick from the range and the pack sizes you need. We send samples so you can test before you commit.

**2 Send your artwork**
Use our design service or send print-ready files. We check the CLP content for you.

**3 Approve and order**
We confirm the price, lead time and delivery, then book your run.

**4 We make, fill and deliver**
Batched, filled, coded and palletised to you, your 3PL or your retailer.
